## **The Fuel Cell & Hydrogen Industry Workshops**

### **Core Tec Chaired the “Investors Round Table” at the Oct 2008 Gathering of Leading Fuel Cell Industry CEOs & Investors, in Brussels.**

The Following workshops are to prepare the Launch of the Fuel Cell and Hydrogen Joint Technology Initiative (JTI) at the 4th Stakeholders General Assembly, on October 14 & 15.

They were jointly organized by FuelCellEurope, the New Energy World Industry Grouping of the JTI (NEW-IG) and European Hydrogen Association (EHA):

#### **Agenda was as Follows:**

14.00 – 15.00 Session (a): [Industry CEO Round Table](#)

**STRATEGY: Will Fuel Cells ever become commercially available in mass markets?**

- **Chair: Jean-Marc Tixhon, Dupont, Chairman FuelCellEurope**
- **Michael Bode, CFC Solutions, President and CEO**
- **Otto Krediet, Nedstack, CEO**
- **Dr. Jens Müller, SFC Smart Fuel Cell AG, CTO**
- **Jan Van Dokkum, UTC Power, President and CEO**
- **Chris Guzy, Ballard, CTO.**

15.00 – 16.00 Session (b): [Investors Round Table](#)

**INVESTMENTS: Does it make sense to invest in Fuel Cells and Hydrogen Production today**

- **Chair: Phil Doran, CoreTec Ventures, Partner,**
- **John Butt, Conduit Ventures, Partner**
- **Michael Lacey-Solymer, Investec, Partner**
- **Dr. Jos B. Peeters, Capricorn Venture Partners, Managing Partner**
- **Gabriel de Scheemaker, Shell Hydrogen Asia, CFO**

16.30 – 17.30 Session (c): [Early Markets Round Table](#)

**INNOVATION: What are you doing to accelerate Fuel Cells Transport Vehicles to become widely available?**

- **Chair: Georg List, Booz & Company, VP**
- **Paul Jenné, Van Hool, Project Manager Transit Bus**
- **Friedrich Wenzel-Luxa, KION Germany**
- **Heinrich Klingenberg, Hamburger Hochbahn AG, Managing Director**
- **Ulrich Piotrowski, Evobus (Daimler)**
- **Johannes Stuhlberger, EADS, VP, Head of Global Innovation Networks, Power Flight Propulsion Energy & Control, CTO**

17.30 – 18.30 Session (d): Hydrogen Infrastructure Round Table

**INFRASTRUCTURE: Is it possible to outperform the current Hydrogen Infrastructure Commercial timelines?**

- **Chair:** *Georg List, Booz & Company, VP*
- *Philippe Mulard, Total, Hydrogen Program Manager*
- *Heinz Olbers, European Investment Bank, Head of Division*
- *Andreas Ziolk, HyRaMP, Chairman*
- *Philippe Paulmier, Axane Fuel Cells Systems-Air Liquide, Marketing and Commercial Director*
- *Ian Williamson, Air Products, Hydrogen System Director*
- *W.HUBER, Autonomous Province of Bozen, Bolzano (to be confirmed)*

**Fuel Cell Europe**
